

# ASPIRING LEADERS IN PALLIATIVE CARE PROGRAMME

Starts Dec  
2022

Based on award winning "Hospice Leadership Programme".

**Do you deliver palliative or end of life care?**

**Looking to build your leadership skills, or those of your staff?**

**Our new interactive online course will deliver;**

-  Practical hands-on skills to succeed in a supervisory, first-line manager or middle management role.
-  Skills to face workplace challenges, such as having difficult conversations, leading teams, and dealing with complexity.
-  Leadership strategies for driving organisational change and preparing for the future, while maintaining team performance.
-  The capability to maintain resilient teams within a resilient organisation

In partnership with

Delivered by an award winning Business & Coaching Psychologist and palliative care experts.
